HASBAT CALENDAR REQUEST POLICY AND PROCEDURES

To ensure a timely posting, calendar requests must be submitted at least two (2) weeks prior to the event's date via the HASBAT Calendar Request Form.

Once the online Calendar Request Form is submitted via the HASBAT website, an automatic email is sent acknowledging request submission.

NOTE: Date format for online form is MM-DD-YYYY, with hyphens – not slashes.

The HASBAT Calendar Committee reviews the submitted requests weekly and determines calendar placement for the next calendar release.

NOTE: If the calendar release date falls on a Federal Holiday, calendar updates will be provided the following week's release.

If for any reason the request is not added to the calendar, the HASBAT Calendar Committee will contact the form submitter with decision reasoning and/or request for additional information to post the event listing.
